

Adobe Encore Royalty Bearing Serial Number

Download

Adobe Encore CS6 cannot run in royalty-free serialization mode. The application must be serialized with a royalty-free serial number. To fix this problem, Photoshop CS5 and CS6 have several different options. I'll show you how to fix it in "Photoshop" CS6 using a "plugin". If you don't have a serial number, you can create your own in Photoshop. When you create a new project, open the "Serialization" tab in the "Actions" panel. In the "Serial Numbers" field, enter your own serial number from Adobe. I used my serial number when I installed Adobe Encore CS6.
