Spider-Man: Shattered Dimensions on the Xbox 360. Very special thank you to the guys over at Passa Press for allowing me to do this review. Do you want to see a game that you didn't know was in the works get a review? Then you are right where you should be right now. Check out their tumblr for more details and screenshots at the site. More articles You might also like As the city is thrown in turmoil by a mysterious and sinister virus, Spider-Man is forced to confront a variety of threats, utilizing his many abilities and weapons in order to protect the innocent. For the first time in the Spider-Man video game franchise, you will play as this modern day web-slinging hero in the open for up to four players simultaneously, with each character having their own unique combat abilities and personalities. Developed by Insomniac Games, Spider-Man brings together a unique combination of action and role-playing game elements, humor, and dramatic story scenarios, all in a brand new third-person perspective. During the course of gameplay, the player will experience heart-stopping action, quick thinking, smart solving of puzzles, as well as some light role-playing game elements and humor. A PS3 Game Highly Compressed. Feel free to go to the attachment area and find a small version of the PS3 game.
