Phenix is an Indie game studio from Kansas City, founded and led by an experienced team of designers and software engineers who believe in telling great stories through games. We create games at the intersection of story, gameplay and entertainment. WHY US If you love great gaming, a fun and engaging team environment, and your work to make an impact, you've come to the right place. Phenix is part of the Build crew, a group of game developers, designers, artists, and more in the Kansas City, Missouri area. We've been working together since 2011, and in that time, we've built a tight-knit team of talented people that always strive to push the boundaries of our respective genres. Our Games We are a full team, and we work together in a collaborative environment to help our games get to the next level. Our games are story-driven fantasy adventure games with a focus on roleplaying. So far, the 4th District in the Massachusetts House has rejected a bill to eliminate the sales tax on prescription drugs. "It's almost 20 cents," said John Brown, the president of the Cape Cod Guild of Drug Makers. "If you multiply that by five, you get 100. If you multiply that by seven, you get 700." He argued that small retailers, like his, will likely go out of business unless that tax is eliminated. Brown said his store, the Windy Corner Pharmacy, along Route 28, lost business when it started charging customers only 5 cents for generic drugs.
