Players will now have their run, sprint, tackle and agility attributes featured in the player data section of player traits. Their skill progression has been redesigned, with enhanced attributes and unlockable player cards. Creating a player has never been so simple and rewarding. You can now unlock the attributes of a player by earning cards or parts through gameplay and attributes will be upgraded by levelling up. There are more than 500 “match cards” for you to unlock in both English and Spanish versions of FIFA 22 Ultimate Team modes. This is the biggest update to the match cards in the whole series. In addition to the creation tools, customization is new in FIFA 22. New sets of Player Cards, World Kits and Stadiums are introduced in this year’s edition. Squad Building in FIFA Ultimate Team has also been redesigned, with smoother progression and improved card sequencing. FIFA 22 has improved AI technologies for the first time in the history of FIFA. It’s a standout football game, with the best gameplay innovations to bring you the most realistic simulation of the sport in years. The best way to experience these improvements is to play FIFA 22. You can now play FIFA 22 online for free from select platforms. Revealed more than a month ago, details of FIFA 22, also known as FIFA 2K, have been released on June 12th. Developed and published by EA Sports, this year’s edition of FIFA 22 boasts new features, including improved AI, smoother gameplay and redesigned modes. In addition, you can now play FIFA 22 online for free. According to EA, more than 65 million players around the world have played FIFA games and more than 50 million of those people have FIFA Ultimate Team. EA has spent the past four years analysing the way millions of players play the game and have decided to redesign a number of game modes in order to make players’ experience more enjoyable. In FIFA 20, the most important modes were: Season Mode, which takes you through the complete football season and allows you to manage and customize your club, quick matches and online matches. In FIFA 21, offline Quick Matches were introduced, giving you more control over a match and extra time to work out a strategy. In FIFA 22, these three modes have been redesigned. New modes include Online Seasons and Online Quick Matches. There will be three seasons that you can play with club staff to improve your club. This new mode works alongside Quick Matches, which allows you to play your favourite mode on your own.

What's new:

- Want to let your mates know you're a football mad genius? Show off your ability as a captain, set up defences, fight your way up the Leaderboards and take on your team in a group of different challenges and modes.
- Every player you encounter in Career Mode has their own distinct personalities. They react to your playstyle and their talents. Do you see yourself as a stylish dribbler? Lead your team up the attack, beat your opponent in 4v4 and score a lot of goals. Do you fancy yourself as a goal poacher? Execute a tricky curling shot and score an unstoppable penalty into the top corner.
- Get back into the thick of things in new 4v4 and Ultimate Team challenges. In 4v4 Kick Off, kick the ball back and forth across the pitch. In 4v4 Fierce Attacking, your team needs to score as many goals as possible in a single match. Test your skills in one of the four new head-to-head modes.
- Defence has never been stronger. Defend the penalty box as well as you attack, block shots, and tackle your opponent with huge new defensive muscles.

Football's favorite video game makes its return to PlayStation 4 in FIFA 22, the latest title in the long-running EA Sports series. A release first announced by this year's cover athlete Lionel Messi, FIFA 22 is a soccer-genre overhaul that's coming to PlayStation 4 on November 24th, 2017. In this article, we look at the game's expanded feature set, new heroes, and more, both on PlayStation 4 and PC. You'll also find new tips, tricks, and tactics to help you advance to the next level with FIFA. New features in FIFA 22 Improved Player Traits: Your ability to truly control the outcome of matches has never been so customizable. Put yourself in the right place at the right time, selecting certain tactics, and you can earn a variety of benefits - including better goal opportunities, shot power, and aerial duels. Better Control Over AI Behaviors: The artificial intelligence in FIFA 22 is more robust than ever before, with new physics, ball movement, and ball strikes. New Ways to Earn Experience: FIFA 22 introduces a new way to customize your player career, by earning achievements and experience in various ways. On top of all this new content, we've taken the opportunity to rework gameplay on a fundamental level for a deeper and more immersive experience. New seasons: A new way to play: FIFA 22 for PlayStation 4 introduces a new season in FIFA Ultimate Team. The Ultimate Team season introduces new items and the brand new FUT Draft. The new season will also bring a better level of integration between Ultimate Team and FIFA Ultimate Matches. FUT Draft: Get ready for the ultimate draft experience. With FUT Draft, you can pre-select both new players and cards from the world's best. Draft day is coming and the best player on your team won't just score goals anymore; they'll also make an impact on the pitch and bring the game to life. New characters: FIFA 22 for PlayStation 4 introduces brand new characters, including Cristiano Ronaldo, Neymar, Luka Modric, and the legendary David Beckham. As always, we've also added several gameplay-changing features, including: Kick-Off Tactics: Tactics are a vital part of the game - the way you play on the pitch dictates how your team performs throughout the match.
