"ANOTHER YELLOW CREST PLUMAGE..." - Galan, Maid of the Maiden of Stars "Someday," he said with confidence, "I'll make it to the top!". - Erika, Heroine of the Dawn At 6 in the evening, a dusky sunset began to take over the Lands Between. A bell chimed and a black dog's howl echoed in the distance. Seizing the opportunity, a wolf stood up and called out for the Guild of Swordmasters. "Farsight..." he said, "The quest..." "Have you heard about the quest of the Eternal Return?" "The Hero, who has the power to make a wish for the Elven World, has been traveling since yesterday." "What do you mean?" "I'm the one who has been following the movements of the Elven Sage for the last five years. There is an ominous aura surrounding him. Yesterday, he thought the eternal return would come true, so he summoned me." A deep rumble shook the Lands Between. A loud shriek pierced the air, and a storm with intense winds and a sound like thunder enveloped the heroes and the wolves. "Farsight, could it be..." "The end of the Elven World?" - The Arcane Pearl of the Ancients, 2nd Story "The power of the Arcane Pearl will lead us to the Eternal Return!" "The power of the Arcane Pearl?"

Elden Ring Features Key:

Real Time Online Mode
Network-Tokyo-Channel
Smooth Multiplayer Battles
System-Wide Localization
Fan-Quality Additions

The most significant changes are listed below.

New Classes

Three new classes are added: Light Blade, Thief, and Shaman.

While the player's Stamina is shared with the class, each class has unique skills such as the ability to hunt, ride, or potion used to restore stamina.

A New Online System

A new online system is implemented in Elden Ring.

Users can join any channel and explore Guild quests in any server easily by using a quickmatch toonset. Users can also search in the server list to set their own recommended channel.

No dedicated IP and billing platform; there is no cost to play. These improvements enhance the existing functionality and accessibility of multiplayer games and introduce several new elements that have never been experienced in browser games before.

Customization

A huge volume of customizable items including weapon and armor parts are added. You can now add small parts to add an effect to the parts such as the brightness of a sword, or enable certain skills, or add a unique effect to your fists. Add many individual new parts, or modify existing parts - You can also customize the weapons, armor, and magic you can equip. You can choose from various existing parts at the weapon and armor merchants in each town and gather up parts to upgrade the stats of the chosen item or add new effects.

You can also change the appearance of your character using
