6.rarThe value of sharing your
thoughts How useful were the
joint consultations that you
had with Dr. Borgman and Dr.
Zivkovic last week? Very
helpful, as both gave me new
points of view I hadn't had
before. It was hard to narrow
it down to just a few words -
even so, "share your
thoughts" was one of them!
Also, the person who is on the
end of the consultation at the
time of your appointment is
very pleasant, very easy to
chat to and give feedback to.
If you are interested in such a
consultation, I would urge you

to be very considerate of the time of day and time of week that you get an appointment.

I was very lucky that they were also on the end of mine, which meant I could give my responses when I was feeling quite positive and strong and

I believe this was not something I have ever experienced before. I was a little weary, but also very excited, as I knew she was going to share her thoughts with me. I knew then that Dr.

Borgman and Dr. Zivkovic were going to take their time but being able to share with someone at that level means so much to me. I wanted her to share her thoughts on things I had been worried about 0cc13bf012
