In SHIELD Impact, your warrior will face waves of attacking enemies in a unique arena. The player holds his shield and attacks at his enemy. The onslaught grows each passing wave, with more and more warriors flying at your shield. The game is designed for 2 to 4 players in local co-op mode. Each player works against the onslaught of the waves on the arena, using the shield to deflect arrows and other threats, all in the name of survival. Apart from deflecting and parrying, the player can trigger special attacks to defeat the warriors surrounding him. Some of the special attacks are not available for all warriors, only for those that have advanced to such a level. Included in the game \* 1 unique and breathtaking arena: custom designed for SHIELD Impact \* 7 Warrior classes \* 7 unique warriors to recruit and develop \* Up to 4 players local co-op \* Infinite wave \* Friendly fire \* Slow motion dash attack \* Touch screen controls \* Leaderboards: both on online and local local co-op \* Game Center support \* Game Center achievements \* Game Center leaderboards \* DASH ATTACK
