The Elden Ring is an online game that was created by the same developers as FINAL FANTASY XIV and FINAL FANTASY XIII. It is a fantasy action role-playing game (RPG) with persistent worlds that is currently in development for the web browser. Originally known as FINAL FANTASY XIV Online, the game is set in the world of Eorzea in the Final Fantasy XIV universe, with the main scenario in the Lands Between (region between the lands of Eorzea and Gyr Abania). You and three to six other characters become members of the Tarnished One Order who are devoted to the power of the Elden Ring. You will begin in Ainshtal, an area that is roughly similar to the World of Eorzea, and will become a leader of your own party. In the Lands Between, there exist various combat areas, such as the gigantic Great Sea, the vast Burning Plains, the flying city of Limitless, and the seashore of Quintaria. Furthermore, you and your party will create their own schedule. You can go on quests in the world of Eorzea, enter large dungeons, battle monsters, and strengthen the skills of your party members as you take on quests and defeat enemies. In addition to quests, you can unlock new sub-quests and dungeons, battle with powerful monsters in raids, and take part in the battles of the various factions and Grand Company alliances that exist in the game.

Key Features

1. **Tale as Full-Fledged Drama: An Action-RPG with a High Drama/Comedy Level** One of the biggest features of the Elden Ring Online RPG is the implementation of a true full-featured drama, in which the story of each character is written as a separate scenario, and the events that occur are relayed as they happen. This is a genre known as "drama," and in addition to its cathartic effect, it feels quite different from a passive story told as a dialogue option. The events of the story will unfold over time, and the reasons behind these changes are not always clear. Moreover, many of the story elements are unconnected and run parallel with the overall story. You will not only be able to see the story unfold from the point of view of each character, but you will also be able to listen to the thoughts of each character in their own words. This drama unfolds in eight installments, and with the development of each installment, more difficult

Elden Ring Features Key:

- A Vast World Full of Excitement

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.

- Create your Own Character

In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

- An Epic Drama Born from a Myth

A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.

- Unique Online Play that Loosely Connects You to Others

In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

- Full Customization

To faithfully recreate every aspect of the game, including enemy behavior, equipment, and interface, we had to invest significant resources in developing a new character creation system.

- "Tarnished" - A thin coat of grime covers the skin of the heroes. There is no way to remove the grime off their bodies.
- "Encountered" - For a short period of time, the hero can transform into an "Encountered" state. While in this state, the hero's body becomes incredibly weak. The hero in this state can only move via teleportation, and cannot make any attacks.
- "Abbreviation" - For a short period of time, the hero's ability to speak will be abbreviated. While in this state, the hero can only say a few phrases, and cannot speak normally.

Story in the Lands Between. After defeating the Black Eagle, the hero shall be able to speak freely with the Black Eagle. Yennen's Testament The Black Eagle says, "The Black Eagle shall be able to speak freely with the adventurers." The Black Eagle says, "If we can do as the adventurers ask, the Black Eagle will give us a reward." Ophis Oathstone. The Black Eagle says, "I don't know what you're talking about. No matter what happens, I'm going to give you the Oathstone." The Black Eagle says, "If you can beat the Black Eagle as an adventurer, I will hand over this Oathstone to you." Yennen's Testament. The Black Eagle says, "I will hand this Oathstone over to whoever defeats the Black Eagle as an adventurer." An Oathstone. The Black Eagle says, "I don't remember any such Oathstone."
