I can not use assign or = operator to assign values into the variable because they're created inside a for loop. It won't allow me to use = or assign inside the loop. I tried the following but it didn't work. filename = open('file\_1.txt') data = [] for lines in filename: data.append(line) filename2 = open('file\_2.txt') for lines2 in filename2: data2.append(line)
