October 14, 2014 " INDIAN NATIONAL MATHEMATICS OLYMPIAD. / MANOCHA, RADZHEEV; MEER. ARIKHANT PRAKASAN, 2014 Pages: 608 pages. ISBN: 9789351760856. 21968. 09/19/2014." I can't say that there are many unknown quantities in mathematics, but there is one variable that everyone knows. This is me ... You me You may ask: how do you, the author, feel about this book? I will answer: as a source of information. You have already done your job when you wrote this book. And I did mine, which is to try to convey this information to as many as possible more readers."
